**OBJECTIVES:**

Upon completion of the program, the participant will be able to:

1. Discuss the role of the Alabama Medicaid Academic Detailing Program
2. Distinguish between drugs that require Prior Authorization (PA) and PA criteria
3. Define medication therapy management and how it fits with other healthcare services in the comprehensive care of patients.
4. Identify the core elements of a pharmacist provided medication therapy management service.
5. Discuss successful medication therapy management service models currently being provided in the United States.

**TARGET AUDIENCE:**

Alabama Medicaid providers including physicians, pharmacists, nurse practitioners, nurses, medical office personnel, pharmacy technicians and social workers.

**FACULTY:**

**Brennan Barrineau** Ms. Barrineau is a Medicaid Pharmacy Specialist for the Alabama Medicaid Academic Detailing Program and serves as the specialist for the Huntsville and North Alabama area. Her duties include the education and distribution of information related to Medicaid's Pharmacy Program. She is the primary contact person for physician offices and pharmacies in her area, making a minimum of 75 provider visits per month. Ms. Barrineau is a 2002 graduate from Auburn University.

**Christina Faulkner, Pharm. D.**, Dr. Faulkner is a Clinical Pharmacist and the Account Manager for Alabama Medicaid at Health Information Designs, Inc. Her responsibilities include reviewing prior authorization requests, maintaining current criteria, and working with the Drug Utilization Review Board. She has worked in retail pharmacy for 15 years. Dr. Faulkner is a 1993 graduate of the University of Arkansas.

**Michael D. Hogue, Pharm. D.**, Dr. Hogue is the Director of Experiential Education and an assistant professor of pharmacy practice with the McWhorter School of Pharmacy at Samford. Dr. Hogue was on the national inter-organizational task force of pharmacy associations tasked with defining "medication therapy management" after the term first appeared in the Medicare Modernization Act of 2003. He has written numerous articles and given dozens of presentations on the subject, and recently published a book with the American Pharmacists Association titled "*The Pharmacists Guide to Compensation for MTM Services*". Dr. Hogue has been very active in public health work, assisting Samford in the establishment of the Institute for Public Health and Pharmacy. He is also co-creator of the nation's first accredited post-graduate residency program for pharmacists in public health practice. Until recently, Dr. Hogue practiced as an ambulatory care clinician in a family medicine clinic with the Jefferson County Department of Health in Birmingham.

**CONTINUING EDUCATION CREDIT:**

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Alabama School of Medicine (UASOM), and the Alabama Medicaid Agency. The UASOM is accredited by the ACCME to provide continuing medical education for physicians.
